V. Statement of Claim

State here, as briefly as possible, the FACTS of your case. Describe how each defendant is involved. Include also the names of other persons involved, dates and places. Do not give any legal arguments or cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Use as much space as you need. Attach extra sheets, if necessary.

The ADOC Central record division is denying me equal protection
of the law whereas ADOC is arbitrarily denying Glynn access
to a lesser restrictive custody level based on allegations
that Glynn is still a suspect in a 20+ Years Murder investigation
that is still ongoing, and because he is a " Restrictive "
inmate based upon the details of the current offense that he
is serving time for, as well as other factors that are in

his prison files that are erroneous. Glynn has had minimum custody in the past but over the years the classification used the erroneous and incomplete information to classify Glynn according to the ADOC Regulations. The ADOC is discriminating against Glynn based upon his race and his offense to deny him placement in a lesser restrictive custody facility.

RELIEF

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

Order the ADOC to remove the restrictive status from Glynn institutional file and all of the erroneous information stating that Glynn is currently a suspect in an ongoing murder investigation after nearly 20 plus years .

I declare under penalty of perjury that the foregoing is true and correct.
